

# August Medical Brigade

First and foremost PRAISE GOD for the 245 souls that came to Christ during this outreach. We traveled to the isthmus towns of Tehuantepec and Cuauhtémoc Guadalupe for a duration of 4 days. We held clinic in a new church plant building and in a basketball court. The purpose of going to these two specific towns was to encourage the national pastors in their efforts to reach each community for Christ.

We had Pastors and their families from all over Oaxaca come to evangelize while a team of medical and dental personnel saw patients. Countless other volunteers supported the roles mentioned as well as cooked, cleaned, prayed and encouraged patients and team members. We continue to pray for these two church plants and their pastors (Joaquin and Antonio) that God will continue to give the increase from our labor.

## *New Van*

As we mentioned previously, God has provided us with the funds to purchase a van for the ministry.

Prayers to find a used one in good condition and at a good price.

## *Gracias*

Your partnership to further the Gospel in Oaxaca is greatly appreciated! Not by just us, but by the many individuals who hear God's Name, receive God's Word, and those who experience the blessings of following Him.
