## Missionaries to Zambia

We have now been stateside for two months, and have loved meeting our newest granddaughter, as well as loving on all 6 of our grandchildren. What a treasure they all are! We are blessed that our children all live in Rochester, and can visit them all easily while stateside!

We have also been able to meet with several of our supporting churches. What an encouragement and a blessing! We have several more scheduled, and will be traveling all the months of January, February and March. Thankfully to warm climate!

Whenever a missionary leaves their field for any length of time, it is an opportunity for the people in the churches to step into new roles, and their faith be challenged and strengthened. We are receiving updates from our leadership that the ministries are doing well, and three new works are regularly meeting since we have left! What a joy! The Word of God is now bound, and people are receiving the truth of the Gospel. Like water to a dry and thirsty land, so is the Good News of JESUS CHRIST!

Meet Sylvester Zulu, one of our faithful young men. Please pray for Sylvester, and many others just like him! They are the hope for the ministry continuing steady and strong. The Lord has shown Himself strong and mighty on their behalf! We will continue to come along side and faithfully teach them the scripture.

A New Body of believers regularly meeting each week

So blessed to see Sunday school Teachers as result of the training

Please pray for the many meetings scheduled out in the villages. Ladies, Youth, Mens and All Church Conferences are scheduled.

Please also pray for the many meetings here in the states with our supporting churches! All for God's Glory! Dan and Jan Jalowiec
